DESERT SECRETS

Desert Secrets is made with heart and soul in Namibia, using natural ingredients discovered over time and carefully selected. They are the desert's secrets. They have been used by Namibians since ancient times for their natural benefits and include Namib Myrrh Essential Oil, Marula Oil, Mopane Essential Oil, Namibian Pearl Salt, Namibian Olive Oil and Tsamma Melon Seed Oil. The amenities such as shower gel, body lotion, shampoo and room fragrance are our preferred items at Namib Desert Lodge, it is for sale there as well as at Canyon Village and Etosha.

THE IYALOO SEWING PROJECT

The Iyaloo Sewing Project was established in 2012 and is a firm partner in supplying items for our interior design. From bedding to quilting, hand embroidery to sewing laundry bags and hot water bottles, Kornelia and Jovita take on any tasks that are offered to them. Besides this, they also sew shweshwe animals for the little ones and turn old vinyl records into contemporary handbags. Quilted bedding in the rooms of Canyon Village and toys available at a variety of Gondwana shops.
