After your day of fun and exploration, we continue northwards to Henties Bay along the coast before veering inland towards Uis and the Brandberg massif. Rock art is on the agenda today with a visit to Twyfelfontein, home to a treasure-trove of ancient rock engravings. The area was once visited by groups of hunters and gatherers, who congregated at the rock pools in the dry season. Their shamans beseeched the gods for rain, healing for their people and luck for the hunt, hammering their prayers into the sandstone rock. The dry desert environment has preserved these engravings for thousands of years. Other stops include the Organ Pipes, Burnt Mountain and Petri Forest, testament to the Earth's intriguing geological history. In the afternoon, it's a pleasure to arrive at Damara Mopane lodge set in a mopane woodland, where each chalet charmingly sports its own vegetable garden.
